VERONICA

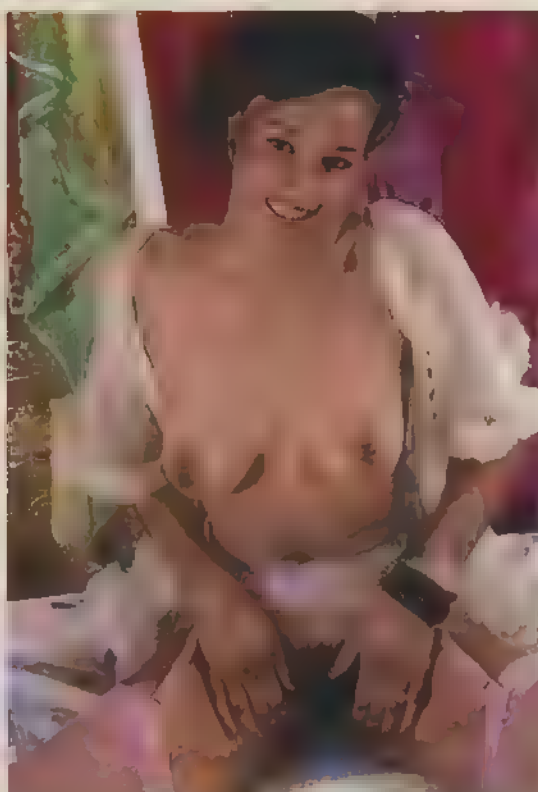

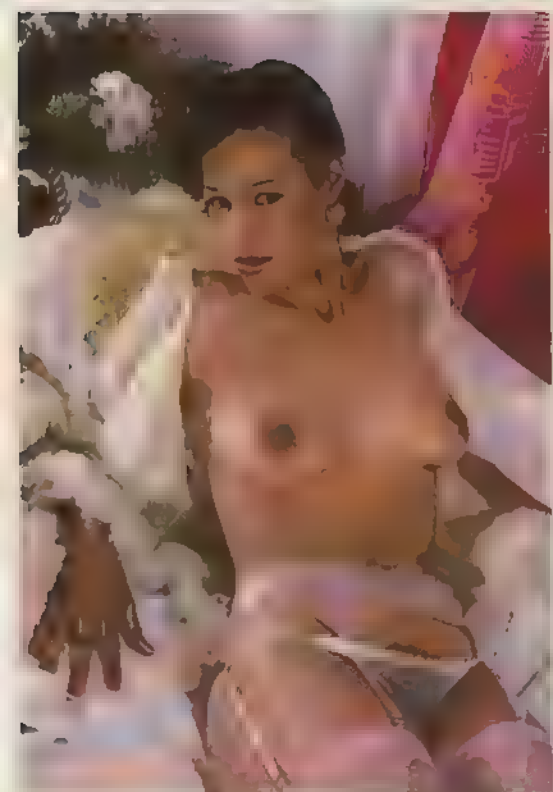

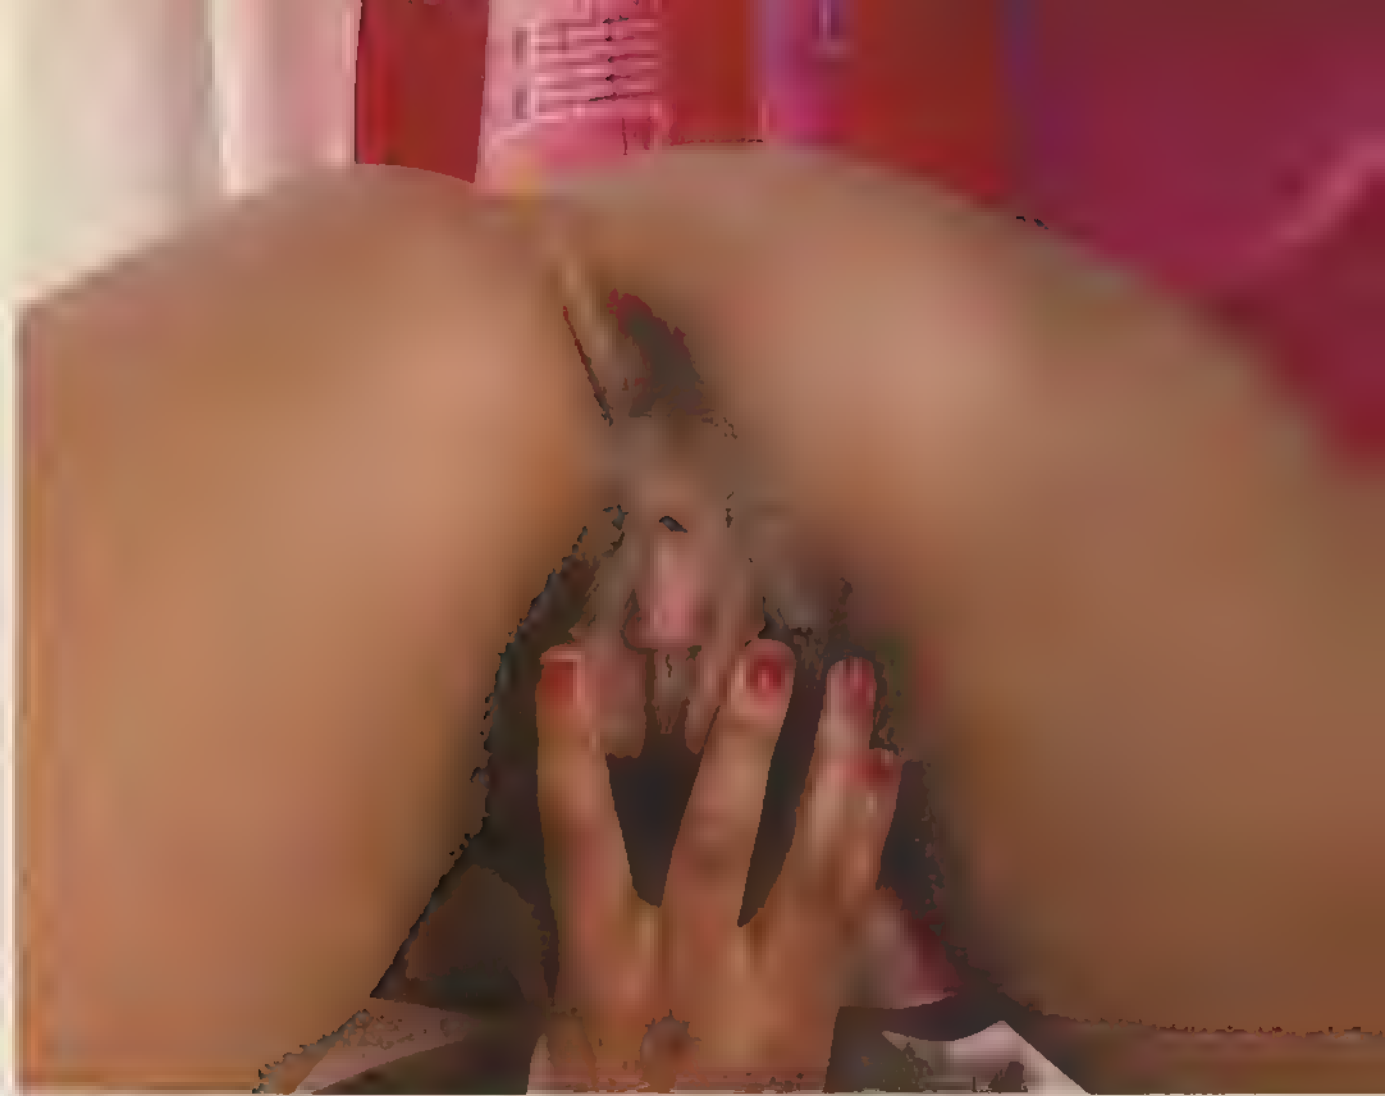

A woman with dark, curly hair is smiling and looking towards the camera. She is wearing a white, long-sleeved robe with large polka dots and a fuzzy trim at the cuffs and waist. Underneath, she is wearing pink, thin-strapped underwear. She is lying down on a bed with a patterned blanket. The background is a soft, out-of-focus pink and purple.

KANDI

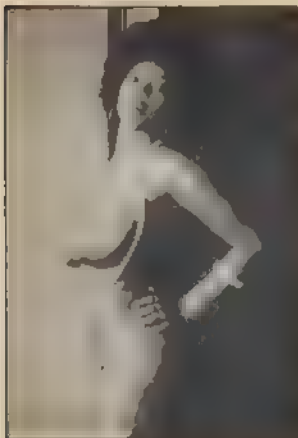

RENEE

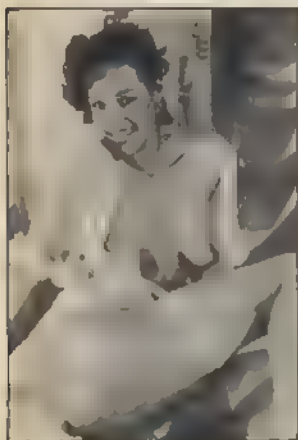

VERONICA

Veronica is a lively woman who enjoys dancing in crowded discos feeling the beat of the music throb in her ears and body. For partners, she likes men who are fast on their feet but slow with lines. "I like to get a good feeling of a man's sincerity about life in general before he comes on to me."

BERNELLE

Bernelle is a fun-loving woman. She can make a party out of hailing a cab in Manhattan's rush hour. First she'll make you smile, then she'll make you laugh. She's like a magician of humor making good feelings appear out of nowhere.

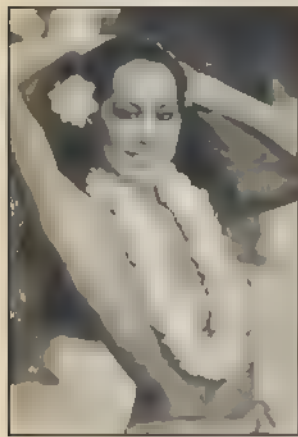

KANDI

Kandi love people. She loves to look at them, listen to them and to touch them. "People make me high. They are all so different, so unique, so interesting. What one person spends a whole lifetime pursuing, another may never even consider. It seems to me that each one of us holds a lesson of some kind for the rest."

RAE

Rae is a serious woman, in or out of love. She takes care of whatever needs to be done around her. She loves order and organization. Rae can put a man's life in order so fast that she can scare him! She doesn't have patience for a man who can't appreciate her talents, though, and a few broken hearts are still having regrets about this woman.

RENEE

Rene loves to relax. Some weekends she gets up only to shower, change her shirt and get back into bed again to read, listen to music or whatever else tender and quiet may be happening. When all the tension has disappeared from her body, she's ready for love. Lucky for Rene, she knows a pizzaman who delivers.

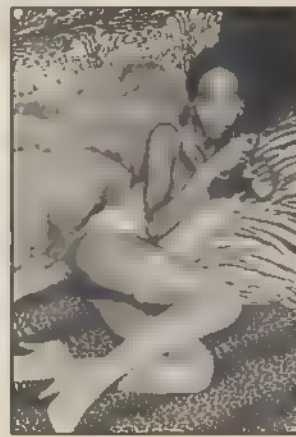

GABRIELLA

Gabriella is a singer of the blues. She's been singing since she was two at parties and since she was fifteen in clubs. She has a wisdom that goes beyond her few years and it all flows out of her velvet throat. She sings portraits of women she has known in the streets, in their homes with their children crying for the men they've lost, for the hard times they've seen, looking for love.

FAYBELLA

Faybella is an unusual woman. Besides being very beautiful and uninhibited, she is very concerned about the state of children in the world. She does quite a bit of fund raising for an agency which provides shelter for children in war-torn countries. Along with her beautiful body, she has a beautiful soul.

DARLENE

Darlene is sometimes quiet, sometimes loud. "My behavior depends on how free I feel with the person I'm with. I like open people because then I don't feel like there's anything holding back. Who knows how far a thing can go if there are no walls to bang your heads against? It's best to say what I think and feel, but at times that's hard."

Olympic Games Collector's Item

You don't have to go to the 1984 Summer Olympic Games to get the greatest (and most outrageous) souvenir ever produced for an Olympic event. *Los Angeles 1984* is a giant size Olympic log with performance records for each event and space to insert current winners. It also presents a colorful history of the Olympics with surprising information you may not find in any official guide. It also has choice photos and information about the host city. But the crowning glory of this magnificent souvenir is the nudes. They are stunning. Why nudes? The ancient Greeks would not find this unusual. Their word *gymnos* means naked. *Gymnasium* means naked place. *Gymnastics* means naked exercise. The original Olympics was a naked event. And since the 1984 games are being held in the 'City of Angels' this souvenir features Southern California angels appropriately unattired. We think you'll find amusement or even pleasure in this. And we believe one of the most unique valuable souvenirs ever generated for an Olympic event. Copies will soon be available at selected bookstores and newsstands throughout the world. A limited number of preview copies are available to you by mail now. To order your copy of this special collector's edition send \$6.95 plus \$1 for postage to

Some kids get their first set of wheels before they're sixteen.

Growing up's tough enough, but have you ever thought what it might be like in a wheelchair?

Fortunately, things are beginning to change.

With new therapies and programs like the National United Cerebral Palsy Games, these athletes are experiencing things that just a few years ago were impossible.

So, if you've never seen the look in a kid's eyes scoring his first goal from a wheelchair, take our word for it. You won't forget it.
